LYRIC SHEET

REMEMBER ME

Lyrics by Susan Griffin & Michele Wagner  
Music by Kama Devi

JESUS

My friends,  
I'm going where you cannot come  
I seek the comfort of my home  
My journey is almost done

MAGDALENE/GOSPEL CHORUS

I know this is true  
What you strive for, what you lose  
You give up to finally keep  
In your heart, in the deep

APOSTLES

There's more, there's more  
That you're not telling us  
There's more, there's more

JESUS

Remember me in this bread  
Remember me in this wine  
For none of this will last  
It's a mirror of the past

MAGDALENE/GOSPEL CHORUS

I know this is true  
What you strive for, what you lose  
You give up to finally keep  
In your heart, in the deep

APOSTLES

There's more, there's more  
That you're not telling us  
There's more, there's more

JESUS

Remember me  
  
In this bread  
  
Remember me  
  
In this wine  
  
As you walk this path  
Have courage to hold fast

GOSPEL CHORUS

Ahs  
Ahs  
Ahs  
Ahs  
Ahs  
Ahs  
Ahs  
Ahs  
Ahs

MAGDALENE/APOSTLES

Remember me  
  
In this bread  
  
Remember me  
  
In this wine

Magdalene, Woman of Light

JESUS

Dear ones,  
It's time for me to return  
But you're not alone  
I will come and take you home  
I will come and take you home

SONG OF SONGS

Lyrics by Susan Griffin & Michele Wagner  
Music by Kama Devi

JESUS

Rise up my darling  
My fairest, come away  
The time is coming when the birds will sing  
And turtledoves will coo across the land

MAGDALENE

When the green figs ripen on the fig trees  
And vines give forth the fragrance of their blossoms  
Rise up my darling  
My fairest, come away

JESUS

Wake oh north wind, come oh south wind  
Blow upon the garden of my love  
Spirits of the field, I charge you  
To protect my love

MAGDALENE

My love

MAGDALENE

You who sit within my garden  
How beautiful you are  
O my love

JESUS

You open up to me  
My dearest one, my dove  
My fertile garden  
Oh how beautiful you are

Magdalene, Woman of Light

MAGDALENE

Rise up, my darling  
My fairest  
Come away

JESUS

Oh my love

MAGDALENE

The time is here

MAGDALENE/JESUS

The birds are singing  
Turtledoves are cooing in our land
