TAKE ME BACK

Lyrics by Susan Griffin & Michele Wagner

Music by Kama Devi

MAGDALENE

Take me back oh grandmothers
Take me back to my ancient roots
Take me back to find that grace
To find inside the ancient faith

Oh freedom mommas
Oh wise woman shamans
Oh grandmothers honored
Come grace this daughter of wisdom

MAGDALENE

Oh wisdom mothers of old
I know of the ancient lineage I hold
I know of my connection and of my birth
You're Queen of Heaven and all of the earth
